PEACH GIRL

WE TRUST

"Conceited."

"A slut."

"Stuck up."

Hey, Momo!

Sigh... My looks always cause me so many problems.

Quit staring...

...you old pervert.

What was that?

Huh?

What?

Beautiful, easy and clueless?

Bronzed beach-bunny skin, big bedroom eyes that men find alluring, blonde hair everyone thinks is bleached.

She's in my class.

Tough, isn't she?

Who was that old creep?

Oh hi, Sae.

Are you okay? You seem sorta down.

He didn't try to pay you for sex or anything, did he?

That is so gross.

But I can see why they ask you that.

What the hell do I look like to men?

Can you believe he said, "hey babe, how's 50 bucks?"

I mean, you kind of look like the type of girl who might do that.

Ha ha.

I bought it.

What's this?

Huh?

Hey! Where'd you get this bag?

You bought it?

I spotted it in a store yesterday...

...but I didn't have enough money to buy it.

I wanted to go back and get it today.

It's adorable!

Oh my gosh!

...I went back and bought it. Isn't it so cute?

Yesterday, after you left...

But Sae...

Excuse me! You liar!

No, it's not yours either!

What do you mean cute? It's not even your style!

You talked me out of it just so you could buy it!

You don't really want that, do you? It totally clashes with your hair.

You're the one who told me not to buy it!

Sae copies everything of mine.

Ha ha! You think?

That's so unbelievably cute!

Hey Sae, is that a new bag?

Look how stupid I am. I just lost it in front of everyone.

People say the grass is always greener on the other side.

THE SAE FASHION REVIEW

Same hair clip but different color

Fake eyelashes

Too much mascara

Tacky nails

Mimi's lip gloss

The bag she snuck back to buy

Creepy socks

Identical shoes

If I picked up one blade of that grass,

Sae wouldn't rest until she had it.

And she gets all the hot guys.

She's petite and fair-skinned, everything I'm not.

What hurts most is, the bag really looks better on her.

...she's never been less of a friend.

Hey Sae!

Hi guys.

I've known her for three months, and...

My own picture of Toji.

I finally got it!

I can die happy.

.....

Everyone was really close back then, so yeah, I guess I like talking to him.

I...

Um...

I guess. We were in the same class in junior high.

I noticed you don't talk much to other guys, but you talk to him all the time.

What?!

You like talking to Toji, don't you?

Hi.

ドキッ

Look, it's Toji.

Hi Toji!

Who?

Really?

Tetsu and Macha.

Guess who I saw yesterday?

Thanks, Toji.

And she says "hello."

Wow, she grew her hair out.

I guess.

Just a minute...

How's Macha doing? Good?

It's from yesterday.

She said to give you this.

What's their deal?

ひゃは

Maybe I'll get her to "party" with me sometime.

What a total party girl.

She must be at the beach everyday.

Have you guys seen how tan Momo is?

はは

...not because she's out partying at the beach in a bikini.

Momo's tan because she's on the swim team...

Don't be jerks.

Those guys are so mean!

Don't talk trash about her.

We didn't know.

Yeah, my bad.

Fine, whatever.

I can't let Sae know about Toji.

That was close.

She'll go after him.

Oh!

Gotta go.

I need to change this.

No way? Both of you?

What? You too?

And standing next to Momo, she just looks that much better.

?!

Guys act like she's some kind of goddess.

She's got that flawless ivory skin.

Definitely. She's the hottest chick in school.

Dude, you like Sae too?

Sunblock? Again?

If you use too much of that stuff, your skin won't be able to breathe

I'll take my chances.

I'm going back to my normal skin tone

If I don't, I swear I'll get tan just standing near a amp! I refuse to let the sun get me any darker.

My tan takes forever to fade

Say anything you want Sae

I've already lightened up since my last year of junior high

But I thought ultra tan was your normal color

ぶっちゃ

To...!!

He stood up for me.

I don't care what anyone else thinks

As long as he understands..

You do, don't you?

Un what?

Does she know?

She's got that look in her eye

Oh on

Who is it? Let me guess

So, Momo, do you like anyone?

And it finally happened

..then I'll even be lighter than Toji.

If I keep the SPF on, I get lighter and lighter.

.....

.after all this waiting!

I need a distract.on

Sne's going to guess

Sne'l get him! And 'll be alone.

That's the first time a guy flirted with me

That's Kaey Okayasu. He's never even looked my way before.

It's easy to see why the girls make such a fuss

Even though Yo, it's a hundred times cooler

He has the kind of face that should be selling something

ドキ

Giving him that look!

Everyday in this same doorway.

She's doing it again

There!

Some friend

She definitely works fast

Guys can't see what's inside.

She's so cute on the outside.

Hey Kiley

Sae!

Sae is

She's not..

But wait

that bag?!

isn't that...?

What are you saying? I tricked her and snuck back to

Wn- what?

So that's it

What's her name? Momo? ♡

But I don't like girls who play games. You should be more like that friend of yours.

Look, I like a girl who knows what she wants

Nothing is worse for a relationship than lying

Seriously what are you doing with it?

You like it? I just had to have it!

What do you mean?

Oh, um. My sister's birthday is coming up so I was shopping and saw it at the store so

Uh huh

I see

She was saying she wanted it, and you told her how ugly it was.

I saw you with a friend ...a week ago.

Well, yeah, but I kind of remember you thought it was tacky.

We have the same cool taste

But now you're carrying it. That must mean that..

.....

I heard Kiley blew her off.

One of Momo's friends. She has a class next to hers.

1-4

Good question.

I don't need his hand-me-downs.

What's wrong with Sae?

Sae? The Sae? Someone actually dumped her?!

Bravo, Kiley!

You've just made a buddy!

Not as great as Toji, though.

ごが ごが ごが

ガラッ

Huh?

Hmmph!

Take it. It's yours. I never wanted this crappy bag anyway.

Sae?

はあっ

はあっ

Sae!!

How could you?

My friends erased it

...but not in time for everyone to see it

Stop acting like you don't know! You're the only one who knows I like Kiley!

What thing?

Don't play dumb. Who wrote about me and Kiley on the blackboard in class?

What do you mean?

That love thing you wrote

Who knows?

Wait...does Kiley even have a sister?

...heard it was over a bag. He wanted it for his sister, but Sae had to have it.

It's about time Sae got some of her own medicine.

Really? Haven't you heard? Are you sure?

Ah, well. Who really cares?

I wonder how that got started?

A bag for Kiley's sister?

Whatever the deal is...

...you can bet Sae won't let it end there.

Meeka Ayashi

Kiley Okayasu

You think it's true?

Who wrote that? I don't know.

Why that little..

If that's how she is, then that's it. It's over between us.

I said I didn't do it, who else would have? She just can't stand people talking about her getting dumped. So she used me as a diversion.

I don't need friends like her

Who do you think wrote that note about Momo and Kiley?

Maybe Momo did it herself.

No way!

But then again she could have. Maybe it was her way of getting Kiley's attention.

What'll happen when this gets around?

And worst of all, when Toji finds out...?

!

What's the big deal? It's true, isn't it?

And you said it to me in the hall so anyone could've overheard

I've got better things to do than spread rumors on blackboards

It's not nice to point fingers at your friends

Where is he?! Where's Kiley?

I've got to talk to him and clear things up

If I don't, this is going to get back to To_!

In fact, it may already be too late

Hey, freakshow!

I want to talk to you, Coppertone girl

What kind of slutty games have you been playing with Kiley?

Did I ever tell you what a great kisser Momo is?

Kiley's not into slutty beach bunnies.

As if Kiley would even give her the time of day!

Talk about desperate

きゃはは

はは

We represent the first Kiley offensive

No one else spends time with him unless we say so

That big-headed lying creep!

Who else?

Kiley? Kiley Okayasu?

He really said that?

She really is dumb

That

We don't think a party chick like you is the kind of girl Kiley deserves.

And we don't say so

And just what does that mean?

ピキッ

I've heard the rumors too, but believe me.

This is all a big misunderstanding

Don't lie on top of everything else We know you kissed him.

Wait a minute Hold on!

And don't try to make it sound like he chased after you... I'm not that stupid!

What?!

Kissed him?!?!

That rotten Sae.

Who said that?!

Kiley told us

We said wait

Let me go!

The sticker Toj gave me

Out of my way I'm not going to isten to th s

Where do you think you're going?

Why would you talk to me like this?

Who do you think you are?

What?

Move your skanky leg

You heard me! Move that leg!

From Macha. She said to give you this.

Momo's tan because she's on the swim team

Not because she's a beach bunny

You keep your hands off Kiley. Understand?

You think you're Kiley's type? Let me tell you, you're not.

Bring it on!

Right on Momo

?!

I really don't want to get in the middle

Sorry, but it's a girl thing

Help! You saw what she did

Kiley help us

How dare you.

I won't forgive you! I never forgive you!

I'm not a violent girl, but

How dare you smash the sticker that Toj gave me!

What's the matter, Momo?

Whose problem do you think

I swam out too far and you pulled me to shore

I'm, uh, surprised you don't remember it was only two years ago.

Second year of junior high.

Two years ago?

We were both in junior high

When the typhoon came?

Yeah.

Two years ago?

Remember?

Can't be! Say it's a lie! An awesome memory is now gone!

So are you going to be a man and help me fix things?

What a waste of time

You mean the kiss was mouth-to-mouth resuscitation

...from a guy?

Yeah, let's get out of here

Let's ban

The lifeguard I don't believe it.

All this time.

I'm hungry anyway. Me too.

That was the study Kiley Okayasu?

Thanks for the detailed account

That was you?! That little dope who tried to use a pink beachball...

But then you gave me mouth-to-mouth resuscitation. ♡

For real.

Mouth-to-mouth? That wasn't me.

It was not.

No way

He looked kind of like Fabio.

It was the lifeguard, you bonehead. Remember?

He was all buffed out!

くらあ

If Toji hears the rumors, I might as well be dead

.....

...to keep the lie from spreading?

Let people know what really happened

Is there anything we can do...

We can turn rumor into truth.

We can?. How?!

Sure

And if I hadn't stopped those three, they would have

Well, people have been talking about us

Fix things?

You rat! It'll be all over school.

Have you been telling other people?!

Tell me they are the only ones

And I didn't kiss you! I didn't!

By tomorrow, everyone will be gossiping!

Question: What's Toji's full name?
Answer: It's Kazuya Tojikamori. People call him Toji for short.

Other character names include:
Momo Adachi ("Momo" is Japanese for peach)
Sae Kashiwagi
Okayasu Kiley (Kiley is actually his last name)

Pumpkin?

Hopeless!

It's because of you that I m go ng through all this drama

You've got some nerve snowing your face.

Stop saying that!

Hey, I thought we had a connect on after that amazing k ss

You're such a life-saving swimmer.

Oh I see Sensitive sk n. What a waste

Absolutely hopeless!

A day n the sun takes me two years to ghten, okay?

That's right. Sensitive skin I've got a nundred times the melatonin of a normal person.

You forgot to snave your legs?

Oh sorry

t s because don't want to get any darker, all right?!

No? What then? You forgot clean panties?

I even told my parents I wanted to come to this school because I knew Toji would be here.

It's not fair. I've had my eye on Toji since junior high.

But now...

Why d d this nave to happen?

Why?

?!

Hey sweet e. Wow, you re tense ♡

Don't you ever touch me ike that aga n! You freak!

So drop it.

It's a big deal to me.

It suits you.

I like you dark.

What's the big deal with being tan?

I'm going to get light for Toji. That's my plan.

Well, it was my plan

may have lost Toji forever

I wish I could swim like you, Momo.

Now it might be too late..

even if I do lighten up

She just remembered

What happened?

Know what I mean?

You're like a mermaid or something. Me, after what happened in junior high, if I even go near water my knees freeze up

Peach Club!!

Thank you all for buying my book. Just wanted to tell you that of all the characters in the comics I've ever written, Momo is the one who's closest in real life to the way I was when I was young. In junior high and high school I was a star on the swim team but had a problem because I tanned so easily. I used to worry about it a lot. Of course, since I became a manga artist, I never leave the house, and now I'm so pale! When my old friends from school see me, they can't believe I'm the same person.

Tee-hee

Miwa

Look at them. Now they're sitting together in front of everyone

Do you think they're really a couple?

Right. I heard Kiley never stays with anyone more than a few days

No way, it's the same thing Kiley always does.

.....

Hey, Toji! Throw the ba

There's nowhere for Momo to go.

Did you hear? She kissed Kiley! I wonder who she hasn't kissed. She's such a tramp

Meanwhile, it hurts me so much to be in class, I hide in the bathroom

...Kiley acts like the stud of the school.

...in the hallways

I want my first kiss back. I hate the fact that it was wasted on the lips of wiley Kiley

Come with me?

.....?

Hey you don't need to...

And now this dope..

Watch after me Momo. Here I go

But I guess I don't have to worry now. You're here with me.

Maybe I'll give it a try

It's all his fault...

Go ahead, jump in. I hope you do go under. I'll sit right here and watch.

But I won't lend a hand to help you. I'll never forgive you!

Go swim go!!

I'll watch

I've known Momo since junior high, and I know she's a good girl

I'm here to tell you to back off!!

I've heard about you. If you're planning on messing around with her...

A good girl?

I see

Interesting

That's your analysis?

So what you're saying is...

You're starting to bug me

I want to know about those rumors.

Did you kiss Momo Adachi?

.....

I asked you a question. Answer it.

What do you care anyway?

That's not the kind of question that

You know what? I'm not telling

ドゴ

If I wasn't just playing around with her, there wouldn't be a problem, right?
Listen, big man
Hold on! I'm interested Maybe it's time settled down and went steady with a good girl.
And I kind of like Momo...
Or does she just tan easily?
But Let me ask you something Do you think she's naturally dark?

Damn...
.....
You can't have her anyone
Go near her again and I'll hunt you down!

Dude, I wouldn't mind peeking under her clothes to find out. Know what I mean?
!

How would I know? Momo doesn't tell me anything

Do you know if it's true or not?

.....

...whether they really kissed or not.

...the truth on...

Damn I was hoping to find out.

.....

That sucks!

Wait

You offered to walk me out just to...

That's all you wanted to say to me?

Yeah, I guess. Fact is, I think Momo's—

Leave me alone. Stop following me

Are you on your way out?

Hey Toji.

.....

ばん

What ever

Fine

Your real name's so long...

...I call you Toji, do you? Like how Momo does...

You don't mind if

Hey, wait a minute

See ya!

Thanks, Toji. See you ♡

Yean, Toji.

Since junior high?

Man, you're persistent!

There's a boy that I like and it isn't you, okay!

I'm asking you for the last time! Give it up!

But I couldn't help myself. Toji saw me giving Riley mouth-to-mouth!!

just freaked out in front of Toji.

How can I look at him again?

What should I do?

Question: What ever happened to the bag that Sae bought?

Answer: Good question. What *did* happen to it? We can be sure that Momo would not have taken it. So Sae probably picked it up later, dragged it home, and threw it in the back of her closet. And that's where it sits today. In any event, bags like these are popular in the former Japanese capital of Kyoto. So if you want to get one like it, book a trip the next chance you get. Happy bag hunting. - Miwa

I've really got a problem.

You need advice?

Well, I..

Meet me later at 4:30 by the bookstore.

know of one boy who would try that..but it couldn't be

After all he dumped Sae once already

Then that's good

He's a cute guy I'd been admiring for awhile, so I was really stoked.

But I went in, and sure enough, he tried to make me ..

But the next day, I went to his house. I was worried because no one else was there.

It was good At least that part.

うぅ…

You think?

You do realize he was using you, right?!

Whoever that guy was, he was moving way too fast to call him a boyfriend.

Come on! One day he kisses you, the next he tries something more, what do you think?!

I resisted as best I could, and in the end he didn't get what he wanted.

But it was close

Just a minute

It's about the guy I'm going with.

All right, what is it?

I'm such a sucker

Please!!

It'll only take 10 minutes!

Can't it wait?

Guy?

Oh yeah I am

We started talking...the next thing I knew...he kissed me

It was last week after school. I was alone in the classroom and he came in

Figures. Screams at me for not telling her about Toji, but she's the Queen of Secrets

Not that I care.

……

What?

He'll try again. I know it.

Don't you get it? If you tell her that you don't care...

What am I supposed to do?

Then.

You sure are good at arranging facts the way you want them.

We each got to kiss you

What does that mean?
